

DANIELSON AND PUTNAM NEWS

DANIELSON

Forcier Proves Too Much for Smith—Committee to Promote Board of Trade—Postoffice Receipts for 1912 Greater Than in 1911.

Mrs. Preston B. Sibley and Frank Bailey have been at New London attending a session of the State Fair. Mary Burman of Worcester was a visitor with friends in Danielson Wednesday.

Representative A. H. Armington discusses much of the organization of the State, that is being done in the State. Mrs. Dumase Boutas of St. Angel, P. R. is visiting her son, Dumase, and other relatives in Danielson. Mrs. Joseph Lavigne of Canada is visiting her son, Wilfred Lavigne of South Street.

Clarence Kles has been called here on account of the death of his sister, Mrs. Arthur H. Kles. Mr. and Mrs. W. A. Whipple have returned from a visit in Providence. George C. Moore of Nashua, N. H., was a visitor with friends here Wednesday.

Ice Forming.

Ice has been steadily forming every day this week on the reservoirs of the Consumers' Ice company at East Killingly, where the borough's supply comes from.

Little advance has been made during the past week at Williamsville toward the operation of the plant of the Williams Manufacturing company, though much money has been expended there on improvements during the past few months.

Forcier Too Much for Smith.

Ray Smith of Killingly met in Arthur Forcier of North Grovesend a man that was too heavy and too strong for him in the eight round bout (so scheduled) at the session of the Putnam Athletic club in Putnam Tuesday night. Smith went a fast clip for two rounds, but fought himself out in the fourth round declared the match off at the request of Smith's seconds.

Cave Story a Hoax.

The story about the discovery of a cave in the woods near the Daniel Shippee place, about three miles south of Danielson is a simple pure fake, originating in the befuddled brain of a man who sometimes sees things that hide in caves when he would not see such things if he saw other things in a clearer light. At any rate, it is now admitted that there isn't any cave, as most of those familiar with the section have contended from the first.

Mild Winter in Canada.

Visitors from the Canadian provinces of the St. Lawrence tell of the exceedingly mild winter being experienced there. It has seemed extraordinary that ploughing could be done in December and January, but the same is true as regards the Ontario section of the Dominion, where everything freezable is usually ice-bound at this time of year.

COMMITTEE NAMED.

Three Live Men to Promote Revival of Board of Trade.

Nathan D. Prince, Alfred L. Reed and E. C. Hopkins have been named as a committee of the business interests of Danielson to do preliminary work relative to the revival of the board of trade. Mr. Prince and Mr. Reed are actively interested in the matter, and will do everything possible to get the organization on a live footing again. It has also been suggested that a business men's association membership restricted to business men, be formed to take up matters—credits, etc.—that are of special interest to them.

There seems no doubt that the conference already held will lead on to a short time to something of value for the borough.

POSTOFFICE RECEIPTS

Were \$11,213 During Past Year—Increase is \$949 Over 1911.

As has been the case for several years, another increase in the amount of business transacted is noted in the annual report of the Danielson postoffice for year 1912.

The total amount realized from the sale of stamps and other sources of revenue at the office during the past year was \$11,213.24, an increase of \$949.01 over 1911, when the total receipts were \$10,264.23.

The money orders issued and paid form an important part of the business done at the office in the period of twelve months. Of domestic orders, 4,680 of a total amount of \$23,987.25 were issued, the fees amounting to \$239.70. Only 164 foreign orders were issued, these being \$2,176.96, the thirteen being \$2.15.

The total number of domestic orders of foreign and domestic orders was 4,844, for an amount of \$31,164.21, the total of fees being \$278.85.

The number of domestic orders paid was 2,601, the number of foreign orders paid 11. The total value of the domestic order payments was \$19,061.01, the total of the foreign was \$2,113.

In the postal savings department 54 accounts are open, the total deposits amounting to \$2,312, considerable more

IN NORWICH

The Evidence is Supplied by Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of Norwich, what can it be?

"About twelve years ago I learned of the value of Doan's Kidney Pills. At that time I was confined to my bed as the result of an attack of lumbago. I suffered from sharp pains across my loins and was greatly annoyed by too frequent passages of the kidney excretions. I consulted the best doctors in Providence, but their treatment failed to help me in the least. I finally read about Doan's Kidney Pills, and as I was badly in need of something that would help me, I began using them. Improvement was soon noticeable and I continued taking this remedy until my trouble disappeared. Other members of my family have taken this remedy for kidney complaint and have been cured." Statement given August 26, 1905.

RE-ENDORSEMENT.

When seen at a later date, Mr. Sweet added: "I confirm all I have ever said in praise of Doan's Kidney Pills, as I consider it the best kidney remedy to be had. You may continue the publication of my former statement."

Pierre Petac Puzzled by Suffragists and Antia.

Pierre Petac says: That's one time for a man to lose himself. Good women come to this town for talk against it and some good women come here for talk for what—votes for women. When I think the man the one who got to say if she going to vote or if she going to be stop from vote I got an appetite for say "Good-night."

No matter how this question finish, the man going have a long time for forget it. Some women want for vote, some more women don't want him at all. The most of the women say nothing about the vote. The most of him who have a right to vote don't vote in this town.

What the man going for do? He want to please the woman and he want to use him right. Makes no expectation what to do with that business, he going to get a mistake. Most men no like for make mistake, especially when she know she going for do that thing. But the man she got no chance with that votes for women business. The man got to come in from the music.

He no like the music—it's too much of music of too much kinds and too much the same time; and the most of the man she don't play at all. The man she like the gander ensemble, but she come afraid quick when she hear each music play some tune all its own. He got trouble for decide whether he listening to harmony or alimony!

New Stockhouse at Industrial Place.

At Industrial place carpenters are laying the floor timbers for the big stockhouse of the Connecticut Mills company. The building, with a convenience of the open season for outdoor work, will be well advanced toward the end of the present month, as the carpenters are hurrying to finish the work before for installation in the No. 1 mill arrived here this week.

PUTNAM

Work Starts on New Telephone Exchange—Careless Property Owners May Be Penalized—New Trolley Express Service—The Year's Thefts.

Joseph F. Maynard, newly elected chief of the Putnam fire department, is the oldest member of the organization. He has been connected with it for many years as many friends among the firemen, and more, than he has been years in the service.

Won Prize for Corn Raising.

Mrs. Louisa T. Wheelock, sister of Attorney Charles L. Torrey, of this city, has won a first prize for growing the greatest quantity of corn on an acre of any competitor in a contest in Hardwick, Mass. Her record was 89 bushels. The corn was produced from the acre amounted to 10,560 pounds.

Work on New Telephone Exchange.

Construction work has commenced on the building of the Southern New England Telephone company's central station on Grove street. The Norwich firm that has the contract has advanced the work considerably during the present week. The brickwork is going up and the heavy first floor timbers have been put in place. The building will probably be completely ready for occupancy by July 1, although its construction will take a much shorter time.

Building Permits Granted.

Representative H. H. Davenport of Pomfret has been granted permits by the common council for the erection of two large frame structures on South Main street, near the Keith studios. One of the buildings will be used as a garage, the other as a stable.

To Operate Night and Day.

The Manassett Manufacturing company, which is occupying the old Monohansett mill, is to operate the plant night and day. The new mill will double the number of employees. The industry gives promise of developing into one of the very valuable ones in the town.

Gift for Former Rector.

Rev. John W. Walker, who was rector of St. Philip's church here, is to receive for his mission at Witten, S. D., the gift of an excellent cabinet organ. This is a recognition of Mr. Walker's efforts in securing a pipe organ for the local church during his pastorate in Putnam.

To Make the Careless Suffer.

A recommendation made by the retiring chief of the fire department, Mark Wilson, in his annual message, is that receiving the approval of many is that owners of buildings where chimneys fire occur as the result of neglect on the part of such owners in failing to keep the chimneys clean should be made to pay the expense that the city incurs in extinguishing the record of all accidents for the past year will show that the majority of them were caused by unclean chimneys.

Making Patterns for Season.

A number of operatives are at work in No. 2 mill of the Putnam Woolen company, which is to be operated by C. Fred and Percy Waterman, making patterns for the coming season of trade. The mill has fine prospects for meeting with big success.

Trolley Express Service.

The new express trolley service which has been maintained between this city and Danielson for the past few days, meeting the New Boston express at this city, has not attracted any great amount of patronage as yet, but it may be expected to do so later. Those people who used the new service have found it a very fine accommodation.

Challenges Received.

At the session on Tuesday evening of the Putnam Social and Athletic club various challenges from boys in Worcester, Moosup and Danielson were issued to contestants billed to appear at the show that was on.

Considered Bible School Interests.

Officers, teachers and committees of the Congregational church met at the church Wednesday evening for the consideration of matters pertaining to the Bible school.

Located in Municipal Building.

Comfortable provision has been made for those in charge of the water works department of the city at the municipal building. The water board office is on the first floor of the building, near the entrance. In the basement of the building, and opening from the office of the captain of police, is a storeroom in which property of the water department is stored.

Leaves Mechanicsville Mill.

Simon Berthiaume, who has been overseer of the apooling department of the French River Textile company at Mechanicsville for the past four years, has resigned and is to enter the employ of a mill concern in this city.

Town Topics.

Mrs. Alice Taylor, a resident of this city for a number of years, left Wednesday morning for Springfield, Mass., where she is to make her home with her daughter, Miss Grace A. Taylor.

J. T. McEllan was in Boston on a business trip Wednesday.

Harold O. Seeley has been appointed secretary of the Sunday school of St. Philip's church.

Louis O. Manwaring of Cambridgeport was a visitor with friends in Putnam Wednesday.

Herbert Dixon of Glastonbury is the new teacher in the school in the East Thompson district.

The principal items of expense in the accounts of the city during De-

cember were as follows: Fire department, \$442.50; Putnam Light and Power company, \$515; Joseph M. Kachnia, \$189; court officers, \$129.82; G. W. Perry, \$221.20.

The police have been notified that five women's cloaks were stolen from a cart left standing on Elm street one night this week.

Piling Up Votes.

C. C. Talbot of this city is first in his district in a contest that is being conducted by a Boston newspaper. He holds his position until the contest closes next month, he will win a prize of \$1,000. If he beats out the candidates in all districts in New England, he will get \$10,000. Mr. Talbot has nearly 7,000,000 votes at the present time.

Big Value of Thefts.

According to the annual report of Capt. John Murray of the police department, goods amounting in value to \$1,385.95 were stolen in this city during the past year, but the goods and property to the value of \$1,132.05 were recovered.

MYSTIC

Weavers and Winders at Roselle Mill Strike—Whist for Mystic Club Auxiliary—L. O. C. F. Class Initiation.

Tuesday afternoon the weavers and winders of the Roselle velvet mill left the mill and went on strike. Some dissatisfaction has been going on among the help for some time and on Tuesday the men decided to leave the mill. Just what action will be taken is not known, but a committee from the strikers will wait upon the officials and it is expected that they will come to some understanding. It is hoped that the men will return to work.

Eight Tables of Whist.

The whist given by the Ladies' auxiliary of the Mystic club at their rooms on Tuesday evening was well attended, there being eight tables playing. The prizes were won by Miss Mary Costello and Fred Godfrey. The consolation prizes were awarded Mrs. Senior of Newburg, N. C., and Irving Balston. Refreshments were served.
